### Member's Confirmation of Insurance

If a member stores their dinghy, windsurfer or other watercraft at SSC and/or uses their dinghy, windsurfer or other watercraft in club events the member needs to confirm their insurance coverage upon becoming a member and again each year when their annual membership is renewed. See below for the specific wording from SSC's By-Law and Rules and Regulations.

Please read this form, insert the information requested, sign it and submit it to the SSC Secretary when you renew your membership.

#### SSC By-Law 2.4B Member Responsibility – Insurance

All members shall carry general liability insurance of not less than \$1,000,000.00 for loss or damage resulting from the storage or use of the member's boat. Members shall provide the Secretary with proof of insurance upon request. The Club is not liable to any member if a member fails to insure or fails to comply with the Secretary's request for proof of insurance.

#### Rule and Regulation 7.9 Policy regarding the requirement for members to insure

The Club will ensure compliance with BL 2.4B 'Member Responsibility – Insurance' by requesting that members confirm their insurance coverage upon joining the Club and again each year upon renewing their membership. The Club will not arrange or review member insurance policies or monitor the adequacy, expiry, renewal or replacement of member insurance policies. The Club may request a member to confirm their insurance coverage at any time, but is not obligated to do so. A member may be denied membership if they neglect or refuse to comply with BL 2.4B or if they will not confirm their insurance. The Commodore will make any determinations respecting the application of this policy.
