

SSC Learn-to-Sail 2010 Lessons – Age 12 and Older Spring-Summer Schedule

Surrey Sailing Club (SSC) offers dinghy sailing lessons for beginners and more experienced sailors.

SSC's 2010 Schedule includes White Sail 1, 2 and 3 lessons. These are Canadian Yachting Association (CYA) levels and are taught by trained instructors. They cover basic and more advanced sailing skills. These evening lessons, starting in May, are aimed at both youth and adults. Visit SSC's web site for more information: www.surreysailingclub.bc.ca.

This is a wonderful way to be introduced to the pleasures of sailing on the safe, balmy waters at Crescent Beach! Most of the time is spent on the water using SSC's fleet of training boats. Certificates are awarded to students who demonstrate the skills.

White Sail Basic Sailing Skills (W.S. 1&2) This is the CYA White Sail 1&2 levels combined in one set of lessons. Students are able to complete either one or both levels in the one set of lessons.

White Sail Intermediate Sailing Skills (W.S. 3) This is the CYA White Sail 3 level. Successful completion of White Sail 1&2 is a prerequisite

SSC loans the **Basic Sailing Skills** book to students for the White Sail 1&2 and 3 courses. For those wishing to improve their sailing skills, the **Advanced Sailing Skills Guide** is available. They are sold for \$25 each.

Students need to be reasonably agile, comfortable on the water and able to swim. They also need to supply their own life jacket. Each lesson set consists of two evenings per week for four weeks (approximately 24-hours in total). There is no written exam.

The lesson sets shown below are subject to the availability of instructors and a sufficient number of students and may be changed without notice:
